'Where excellence is a habit'

21st October 2019

Dear Parent/Carer,

Further to my previous communication regarding 'Operation Encompass: The Next Steps' I can confirm our School Liaison Officer will be working with a number of students this term exploring healthy relationships during a one-hour PDE session. Hopefully there will be more opportunities for her to engage with more students in the near future.

She will also be available for advice at school for parents/carers of any year group on **Wednesday 23rd October 2019 between 8.30am and 9.45am** to discuss concerns around relationships or domestic abuse. If you would like to speak to her please come to reception at this time or alternatively call myself and leave your details for a call back at a more convenient time.

Yours sincerely,

Mrs G Hogg
Senior Assistant Head Teacher.
