Dear Mrs Pattani

## Commitment to achieving The Quality in Careers Standard

Please accept this letter as notification of **St Aidan's Catholic Academy's** decision to commit to achieving the Quality in Careers Standard. We are delighted to confirm the support of the Chair of Governors as well as the Senior Leadership Team in achieving this aim.

At the last meeting of the full governing body held on **14.10.20** we discussed the school's application for Quality in Careers Standard. The committee unreservedly approved and supported the application.

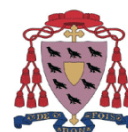

Our lead in school will be the **Careers Leader, Emma Osmialowski**. Progress will be reviewed at school leadership meetings and periodic reports made to the governing body.

We believe that all students deserve access to high quality careers education, information, advice and guidance in order to inform their choices about future careers and educational progression. We look forward to working with you to achieve our Quality in Careers Standard Award

Yours sincerely
